2023 Financial Statements of IICA and Report of the External Auditors

Response to the current global economic-financial situation

Resources are allocated to the Institute's value proposition, which is to offer technical cooperation of excellence

IICA will continue to strengthen its policy for the strict, rational, austere and transparent management of institutional resources

2023 Financial Statements of IICA and Report of the External Auditors

AUDITOR'S REPORT

- Prioritizing expenditures aimed at addressing the needs of Member States.
- Budget savings and optimization of resources, protecting institutional finances to “do more with less”.
- For the sixth consecutive year the statements had received a clean audit opinion.

Thank you
