The Director General elected for the 2002-2006 term is to present the 2002-2006 Medium Term Plan and the distribution of the Program Budget for the year 2003 to the consideration of the Member States.

In this connection, the Inter-American Board of Agriculture (IABA), at its coming regular meeting, should define the dates on which the Director General-elect shall present the proposed 2002-2006 Medium Term Plan and a detailed breakdown of the distribution of the regular resources of the Program Budget for the year 2003, with an indication of which bodies are to approve these institutional management instruments.
